

CHILDREN RIGHTS POLICY

The managers of Vasia Hotels & Resorts share the commitment to meet their responsibility towards children and their human rights. The Resort recognizes the importance of respecting and supporting children's rights in core strategies and operations.

Our Children Rights Policy and primary goals are the following:

- Ensure the protection and safety of children in all business activities and facilities.
- Ensure that products and services are safe, and seek to support children's rights through them.
- Use marketing and advertising that respect and support children's rights.
- Respect and support children's rights in relation to the environment and to land acquisition and use.
- Respect and support children's rights in security arrangements.
- Promote the rights of children, including protection from sexual exploitation and adolescents in tourism, children labor and trafficking.

Members of Vasia Hotels & Resorts Management:

- Prohibit hiring of young workers to perform any type of work that is likely to jeopardize their health, safety or morals
- Specify zero tolerance of harassment and exploitation of young workers, and the measures in place to protect them from discrimination, violence and abuse
- Make sure that all staff working with children are qualified to the required standards and receive regular, ongoing training.
- Clear procedures are set for all activities or contact with children and young people, children are not left unsupervised, they are consulted and shown respect, and they are treated fairly and without discrimination.
- Assure that no products or services are being sold directly to children.

Additionally, Vasia Hotels & Resorts aims to constantly promote awareness towards children's human rights by organizing actions for children in need addressing to the local community as well as to staff and guests.
