

HEALTH AND SAFETY POLICY

At Vasia Hotels & Resorts, our senior managers are committed to health and safety management and exert to provide the safest conditions possible for staff and guests.

Our statement of general policy is:

- To provide adequate control of the health and safety risks arising from our work activities
- To consult with our employees on matters affecting their health and safety
- To provide and maintain safe plant and equipment
- To ensure safe handling and use of substances
- To provide information instruction and supervision for employees
- To ensure all employees are competent to do their tasks, and to give them adequate training
- To prevent accidents and cases of work-related ill health
- To maintain safe and healthy working conditions
- To review and revise this policy as necessary at regular intervals
- Members of the staff are given necessary health and safety induction and provided with appropriate training.
- All staff routinely consults on health and safety matters as they arise.
- Implement emergency procedures – evacuation in case of fire or other significant incident.

Through our health and safety policy we do our best to maintain safe and healthy working conditions, prevent accidents and cases of work-related ill health by managing the health and safety risks in the workplace and provide clear instructions and information, and adequate training, to ensure employees are competent to do their work.

The Vice President of Vasia Hotels & Resorts

George Chondrakis
